

# Three Bear Lodge and restaurant

## Welcome to Three Bear Lodge and Restaurant,

**Coping with Covid** - With this pandemic affecting our day to day routines, we want to let you know of things that we are doing and changes we have made to increase your comfort level during your time with us.

Three Bear Lodge is proud to be a part of the “Safe Stay” initiative from the American Hotel and Lodging Association. We are also following the CDC and County Health guidelines to ensure both hotel guests and employees are confident in the cleanliness and safety of your stay.

These are some of the highlights of things that we are doing to provide for the safety of our guests and employees:

### Three Bear Lodge

- Enhanced cleaning standards throughout the hotel, including guest rooms, meeting spaces, common areas, and back-of-house spaces
- Hand sanitizer located at each entry to hotel and frequent disinfecting of high touch point areas
- We will not enter stay-overs to clean, stock, or perform maintenance unless requested by you, our guest. If you need anything, including towels or other amenities, please call the front desk
- Superior cleaning products with a greater concentration of bacteria and virus-killing ingredients, in accordance with CDC guidelines
- All guest rooms will be cleaned thoroughly and disinfected to specific guidelines before the check-in of new guests
- Closure of our hot tubs, fitness area, and outdoor pool
- Social distancing practices and reducing person-to-person contact

### Three Bear Restaurant

- We have reduced our seating capacity to accommodate for social distancing between tables
- We will be serving soup and salad to the table and we have removed our salad/soup bar
- Our employees will wear masks and gloves for your protection
- Hand sanitizer located at each entry to the restaurant
- We have enhanced our cleaning protocols and will sanitize each seating area between guests
- We are using single use paper menus and will offer individually wrapped silverware, napkins, and condiments as available
- We are offering picnic lunches for your trip into Yellowstone to help with social distancing in the park and to minimize waiting lines at the limited food services available in Yellowstone at this time

### See Yellowstone Tours

- Only private tours of 9 people or less will be offered for a true customized tour with social distancing standards and as always, a picnic lunch is provided with each tour
- We have enhanced our cleaning protocols and will sanitize each vehicle after every tour
- Our guides will wear masks and gloves as appropriate
- Hand sanitizer and Lysol provided on each tour and high touch points will be disinfected throughout the day.

**We encourage you to adhere to the recognized guidelines of maintaining social distancing, frequent washing of hands and wearing masks when appropriate.**
